CONCURRENT RESOLUTION

Recognizing and commending the members of the United States Armed Forces and their leaders, and the allies of the United States and their armed forces, who participated in Operation Enduring Freedom in Afghanistan and Operation Iraqi Freedom in Iraq and recognizing the continuing dedication of military families and employers and defense civilians and contractors and the countless communities and patriotic organizations that lent their support to the Armed Forces during those operations.

Whereas the September 11, 2001, terrorist attacks on the United States, which killed thousands of people from the United States and other countries in New York, Virginia, and Pennsylvania, inaugurated the Global War on Terrorism;

Whereas the intelligence community quickly identified Al Qaeda as a terrorist organization with global reach and the President determined that United States national security required the elimination of the Al Qaeda terrorist organization;

Whereas the Taliban regime of Afghanistan had long harbored Al Qaeda, providing members of that organization a safe haven from which to attack the United States and its friends and allies, and the refusal of that regime to discontinue its support for international terrorism and surrender Al Qaeda's leaders to the United States made it a threat to international peace and security;

Whereas Saddam Hussein and his regime's longstanding sponsorship of international terrorism, active pursuit of weapons of mass destruction, use of such weapons

against Iraq's own citizens and neighboring countries, aggression against Iraq's neighbors, and brutal repression of Iraq's population made Saddam Hussein and his regime a threat to international peace and security;

Whereas the United States pursued sustained diplomatic, political, and economic efforts to remove those threats peacefully;

Whereas on October 7, 2001, the Armed Forces of the United States and its coalition allies launched military operations in Afghanistan, designated as Operation Enduring Freedom, that quickly caused the collapse of the Taliban regime, the elimination of Afghanistan's terrorist infrastructure, and the capture of significant and numerous members of Al Qaeda;

Whereas on March 19, 2003, the Armed Forces of the United States and its coalition allies launched military operations, designated as Operation Iraqi Freedom, that quickly caused the collapse of Saddam Hussein's regime, the elimination of Iraq's terrorist infrastructure, the end of Iraq's illicit and illegal programs to acquire weapons of mass destruction, and the capture of significant international terrorists;

Whereas in those two campaigns in the Global War on Terrorism, as of May 1, 2003, nearly 330,000 members of the United States Armed Forces, comprised of active, reserve, and National Guard members and units, had deployed for Operation Enduring Freedom and Operation Iraqi Freedom;

Whereas as of May 1, 2003, some 224,500 Reserve and National Guard members of the Armed Forces had been

called to active duty in support of Operation Enduring Freedom and Operation Iraqi Freedom;

Whereas in the conduct of Operation Enduring Freedom and Operation Iraqi Freedom, as of May 1, 2003, 67 military servicemembers and other United States personnel had given their lives in Afghanistan and 140 had been lost in Iraq, while over 700 had been wounded and 8 were held as prisoners of war;

Whereas success in those two campaigns in the Global War on Terrorism would not have been possible without the dedication, courage, and service of the members of the United States Armed Forces and the military and irregular forces of the friends and allies of the United States;

Whereas the support, love, and commitment from the families of United States service personnel participating in those two operations, as well as that of the communities and patriotic organizations which provided support through the United Services Organization (USO), Operation Dear Abby, and Operation UpLink, helped to sustain those service personnel and enabled them to eliminate significant threats to United States national security while liberating oppressed peoples from dictatorial regimes;

Whereas the civilian employees of the Department of Defense, through their hard work and dedication, enabled United States military forces to quickly and effectively achieve the United States military missions in Afghanistan and Iraq;

Whereas the commitment of companies making their employees available for military service, the creativity and initiative of contractors equipping the Nation's Armed Forces with the best and most modern equipment, and the inge-

nunity of service companies assisting with the global overseas deployment of the Armed Forces demonstrates that the entrepreneurial spirit of the United States is an extraordinarily valuable defense asset; and

Whereas the Nation should pause to recognize with appropriate tributes and days of remembrance the sacrifice of those members of the Armed Forces who died or were wounded in Operation Enduring Freedom and Operation Iraqi Freedom, as well as all who served in or supported either of those operations: Now, therefore, be it

1 *Resolved by the House of Representatives (the Senate*

22 of those operations;

25 Freedom and to the 49 coalition members in Oper-

1 ation Iraqi Freedom, especially the United Kingdom,

4 (7) recommits the United States to ensuring
